

## *CJIS Security Policy Training Made Easy!*

CJIS Online leverages online training and testing to give you an affordable method of providing “Security & Awareness Training” to Vendors and IT personnel.

### Key Features:

- Standard online “Security & Awareness Training” or create your own.
- Uses the nexTEST software engine to test users.
- Available on the Internet for easy access.
- Hosted solution makes this the affordable solution.
- Easy reports to track all vendors and IT personnel requirements.
- Notifications when vendors or IT personnel need to be retrained.
- State Agency ISO’s can review and manage all local agency information.
- Multiple levels of access: State, Local Agency, Vendors & IT Personnel.
- This system makes it easy to comply with the CJIS Security Policy.
